

JOB ANNOUNCEMENT

The Merced County Mosquito Abatement District will have an opening for:

Position: Hourly Extra Help

Duration: Part-Time, Year-Round

Work Location: Reporting Office: 3478 Beachwood Drive Merced, CA 95348

Definition: This position, under the general direction of the General Manager and direct supervision of the Field Services Supervisor, is an entry-level position that performs janitorial duties. Examples of work include: sweeping, mopping, dusting, collection of trash, cleaning of chicken coops, and assisting in maintenance of the District buildings and grounds. Individuals may be asked to assist Mosquito Control Technicians, and any other additional tasks as needed.

Minimum qualifications: Must have a valid California State Driver's License with a good record and insurability with the District's insurance carrier, using the accepted guidelines of the insurance provider. Graduation from High School or equivalent and sufficient background to be able to comprehend phases of training in the mosquito control field.

Working Conditions: Applicants must be physically able to perform manual labor, lift and carry weights in excess of twenty-five pounds, stamina to walk around dairy lagoons; and to traverse rough terrain while carrying handcans, backpack sprayers and other mosquito control equipment.

Salary: \$15.00 per hour. No benefits are offered.

Application: Interested individuals should obtain an application through www.mcmosquito.org and submit to:

Merced County Mosquito Abatement District
PO Box 909
Merced, CA 95341
mcmadoffice@gmail.com
Phone: 209.722.1527

Applications will be accepted by mail, email, or in person

Position will be open until filled.
